## “PRIVATE VALUE 2”

### OPEN CALL FOR YOUNG VISUAL ARTISTS From 16 January to 1 March 2019

The Embassy of Switzerland in Serbia is launching an Open Call for young visual artists in Serbia.

We are looking for up to 5 artists whose work will be presented in a joint exhibition at the Residence of the Ambassador of Switzerland in Belgrade from end of June through end of July 2019. Artworks will be auctioned throughout the exhibition period, with the permission of the artist.

The focus of the exhibition, in continuity with the previous edition in 2018, is again on “Private Value”, however this year the specific topic is “Personal Engagement” in its various forms.

Art pieces should represent the contemporary art in her different expressions, such as paintings, photos, video works, installations and sculptures (indoors as well as outdoors).

Each artist selected to take part in the exhibition will receive 500 euros, in order to support their production work. Among the exhibited artists, the professional jury will select one artist to be the winner of a special prize of 2000 euros.
