Notification to the Signatories of the Convention on Jurisdiction and the Recognition and Enforcement of Judgements in Civil and Commercial Matters, concluded at Lugano on 30 October 2007

Correction of the signed texts

With notification of 16 January 2009, the depositary suggested corrections to the texts of the Convention. Since no objection was raised against these proposals within the indicated deadline, the depositary performed these corrections in the original.

The enclosed procès-verbal, in French, of rectification of the authentic text of the Convention was established on 20 March 2009.

The rectified authentic texts are available in all original versions on the website of the depositary: www.eda.admin.ch/depositary " Other Conventions (fr) " Conventions de Lugano. The depositary can deliver certified true hard copies of the corrected text according to the notification to the Signatories of 29 February 2008, i.e. upon request of Signatories, and if possible in the requested languages only.

The Swiss Federal Council makes the present notification in its capacity as Depositary of the Convention.
