

Guidelines for holders of previously issued visas who cannot use them due to the current situation with the corona virus

Dear visitors

In the light of the current pandemic (covid-19) the entry of non EU/EFTA nationals are no longer possible.

Persons who already have a visa issued by Switzerland, but who cannot use it due to travel restrictions because of Corona, can receive a free substitute visa under the following conditions:

- Submission of a new visa application dully completed and signed;
- The documents must clearly show that the trip is a substitute journey, i.e. has the same purpose and duration;
- One photo;
- A (new) valid travel health insurance policy is available;
- Travel document with the previously issued visa;
- Proof of new travel arrangements;
- There must be no entry restrictions;

This facilitation is only valid between 15 March and 30 September 2020.
