SDC Programs in Eastern Transition Countries: EuraD States

SDC Democratization, Decentralization and Local Governance / Rule of Law Programs in EuraD States - Part I

Moldova

- **Promoting Inclusiveness through Civil Society Advocacy**

Goal: Strengthen civil society groups, enabling them to play a critical role in promoting and safeguarding the rights and interests of the vulnerable and excluded.

2015-2021: CHF 3.15 Mio.

- **Fostering Active Civic Engagement**

Goal: Contribute to an inclusive, peaceful and democratic Moldovan society with engaged citizens

2018-2022: CHF 3 Mio.

- **Ma Implic – Project on civic engagement in local governance**

Goal: The rural population of Moldova has equitable access to quality public service provision.

2018-2023: CHF 6 Mio.

Georgia

- **Regional and Municipal Infrastructure Development**

Goal: Strengthen municipal capacities (decentralization) for public service delivery. 150'000 rural residents will benefit directly from improved basic infrastructure.

2014-2021: CHF 5.5 Mio.

- **Fostering Regional and Local Development**

Goal: 150'000 rural residents will benefit from a stronger economic and social development. National training system for officials of regional and local authorities will be established.

2017-2021: CHF 3.7 Mio.

Ukraine

- **Support to Decentralization**

Goal: Quality of and access to selected public services are improved with the participation of local communities and authorities who are institutionally strengthened and jointly contribute to the local governance reform process at the national level.

2017-2021: CHF 7.75 Mio.

- **United Nations Human Rights Monitoring Mission**

Goal: Contribute to enhancing respect for human rights in the current conflict in Ukraine.

2019-2020: CHF 1 Mio.

- **Asset recovery and public integrity in Ukraine**

Goal: Enhance the ability of Ukrainian law enforcement agencies to apply tools and techniques to investigate and prosecute financial crime.

2018-2021: CHF 1 Mio.

Ukraine

- **E-Governance for Accountability and Participation (EGAP)**

Goal: Citizens (including vulnerable groups and IDPs) and businesses get better access to and make more use of public services, become less exposed to corruption, and express more trust in the authorities.

2019-2023: CHF 5.4 Mio.

Armenia

- **Improvement of the Local Self-Governance System**

Goal: Contribute to a better self-government system adapted to demographic realities and financial constraints. Accompany local self-government reforms with technical assistance.

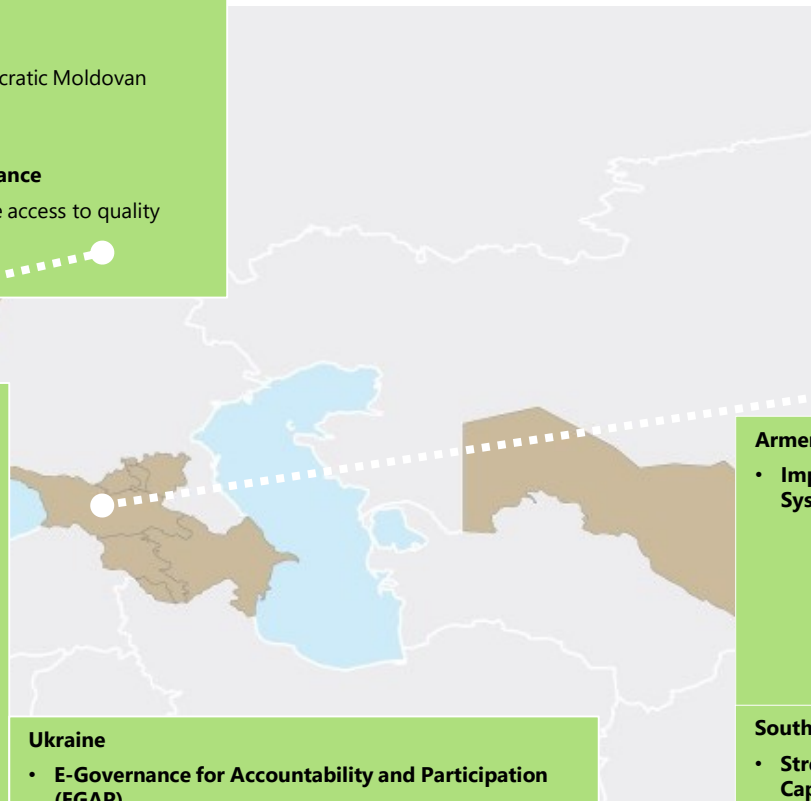

2019-2023: CHF 7.8 Mio.

South Caucasus - Armenia + Azerbaijan + Georgia

- **Strengthening the Climate Adaptation Capacities**

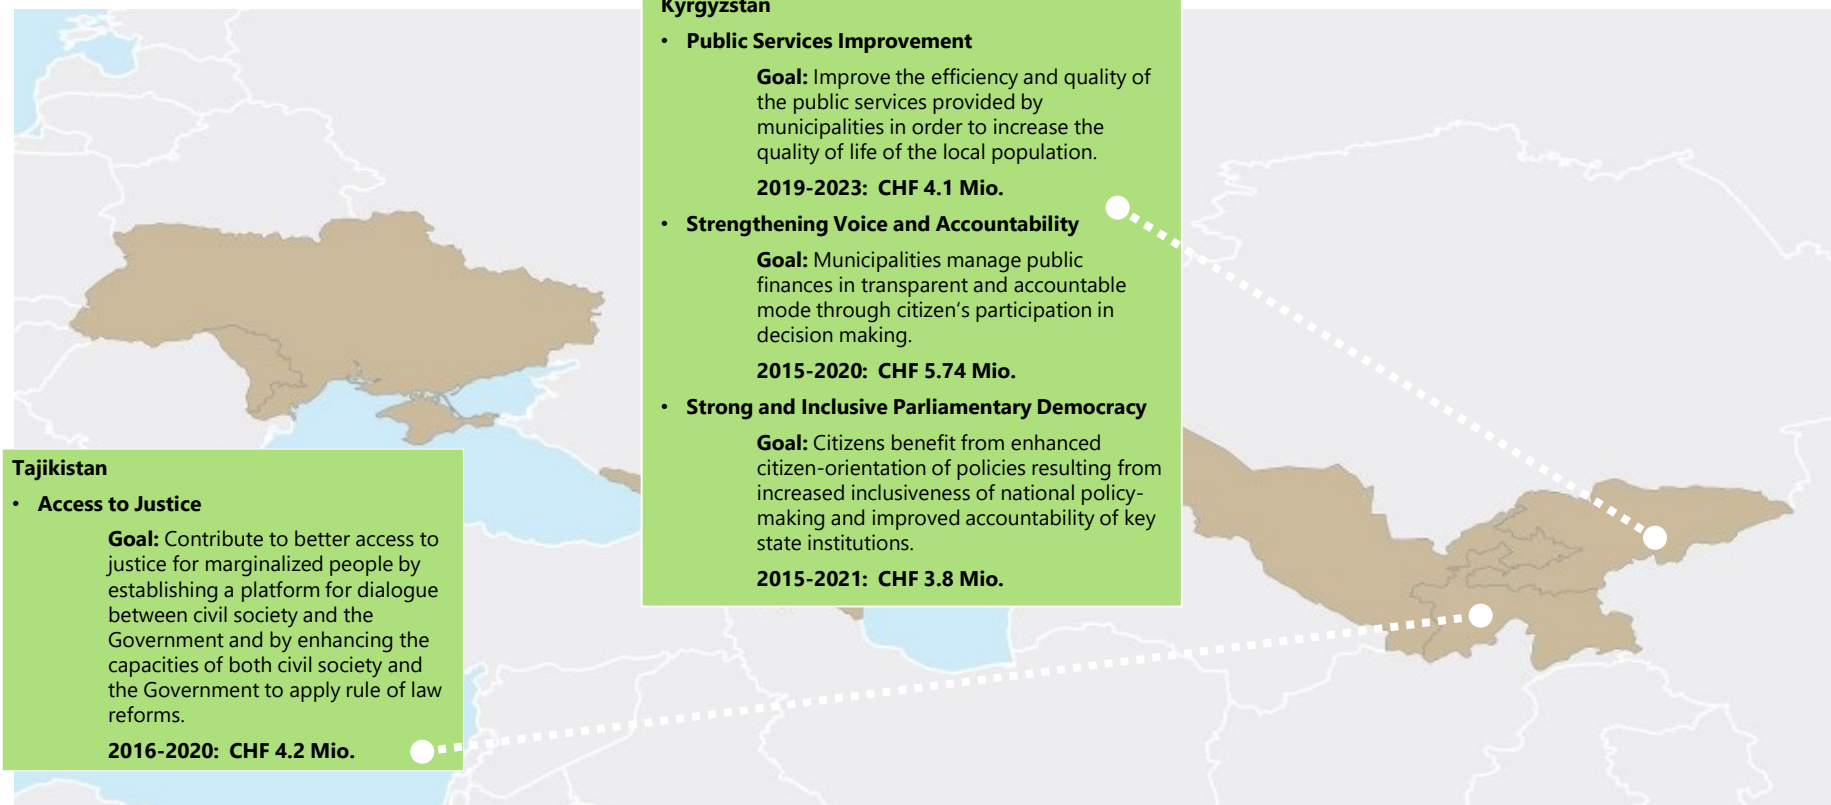

Goal: Reducing the population's vulnerabilities towards climate-induced hazards and fostering regional cooperation on climate change adaptation challenges.

2018-2023: CHF 7.1 Mio.

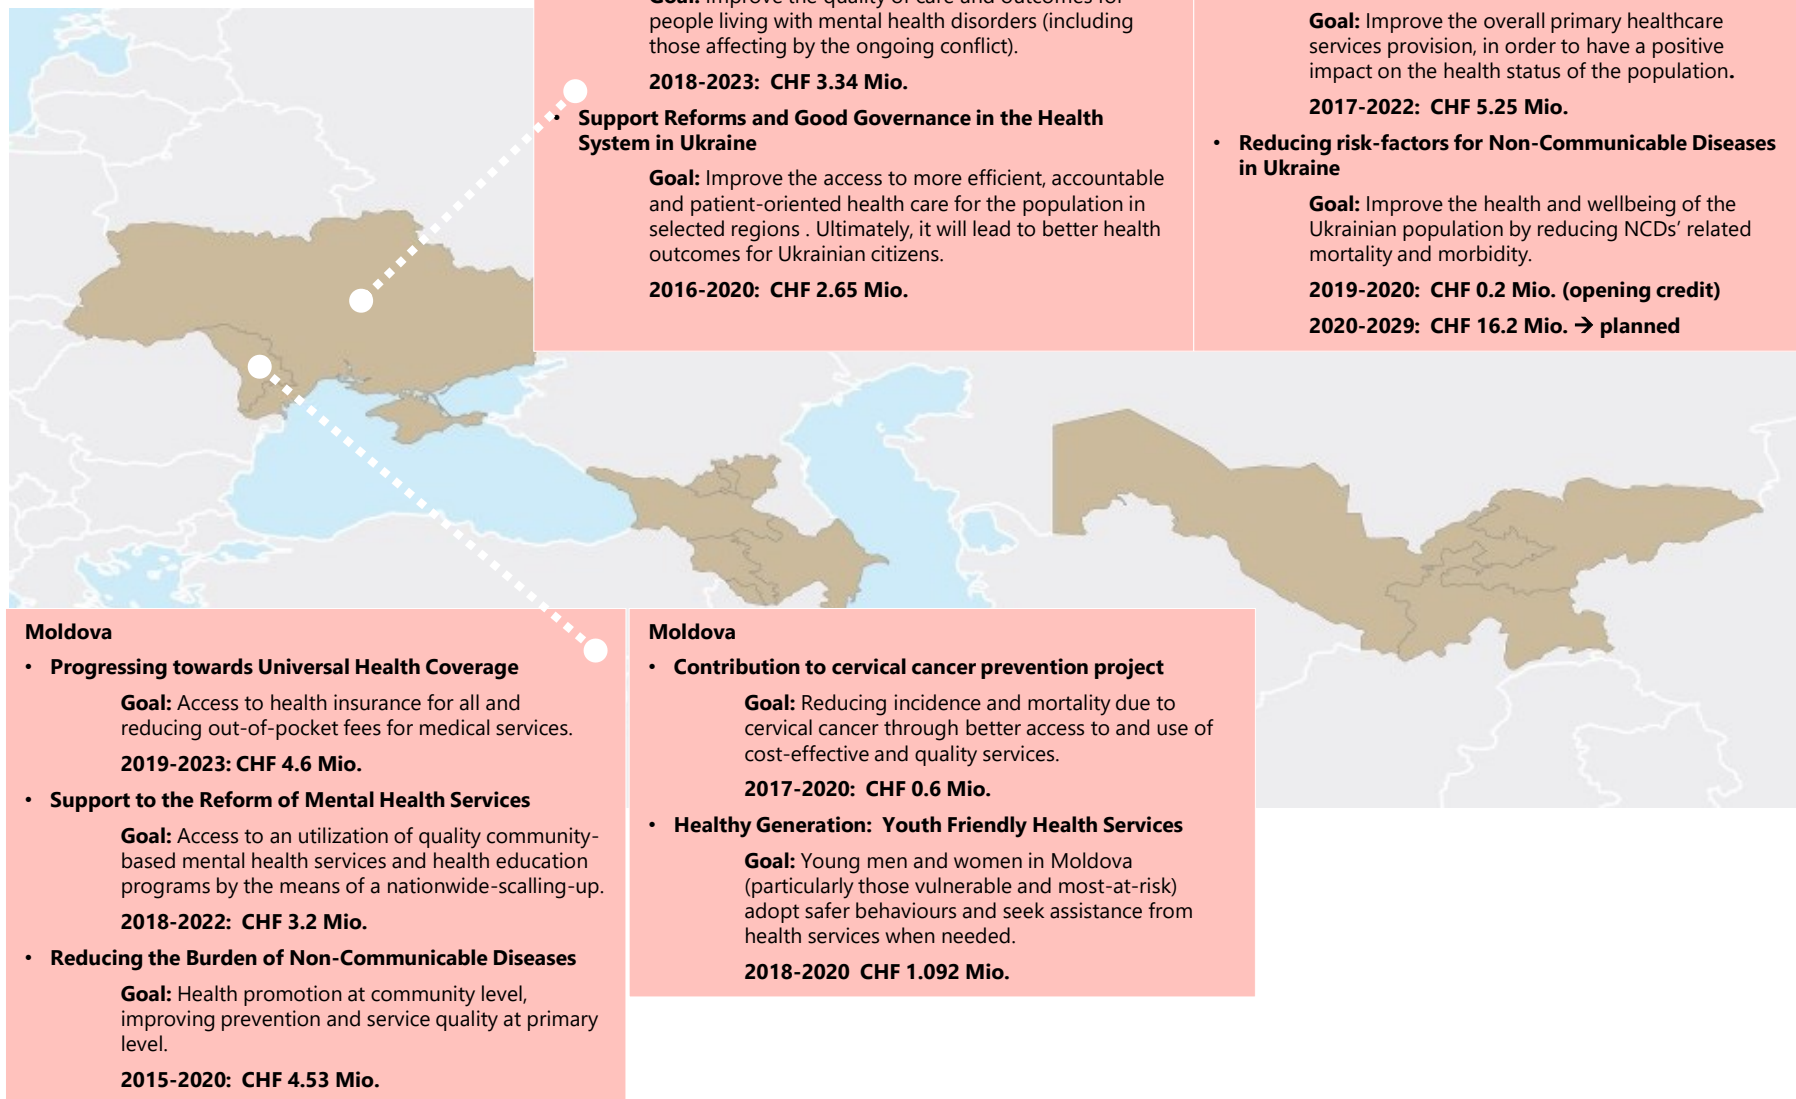

SDC Democratization, Decentralization and Local Governance / Rule of Law Programs in EuraD States - Part II

SDC Health Programs in EuraD States - Part I

SDC Health Programs in EuraD States - Part II

Kyrgyzstan

- **Budget Support for Implementation of National Health Reform Strategy**

Goal: Improve the health of the population, ensure equitable access to health services and improve their quality by supporting the Government in its health sector reform.

2019-2022: CHF 9.7 Mio

- **Medical Education Reforms**

Goal: Improve the quality of medical education and better connect the formation of medical staff to rural health systems needs and practice.

2017-2021: CHF 3.54 Mio.

- **Effective management and prevention of Non-Communicable Diseases (NCDs)**

Goal: Improve the well-being of the Kyrgyz population in rural areas through better control and management of NCDs at primary health care level.

2017-2021: CHF 4.81 Mio.

Tajikistan

- **Enhancing Primary Health Care Services**

Goal: Men, women and children benefit from better health thanks to improved primary health care services and health promotion activities in rural communities.

2017-2021: CHF 4.2 Mio.

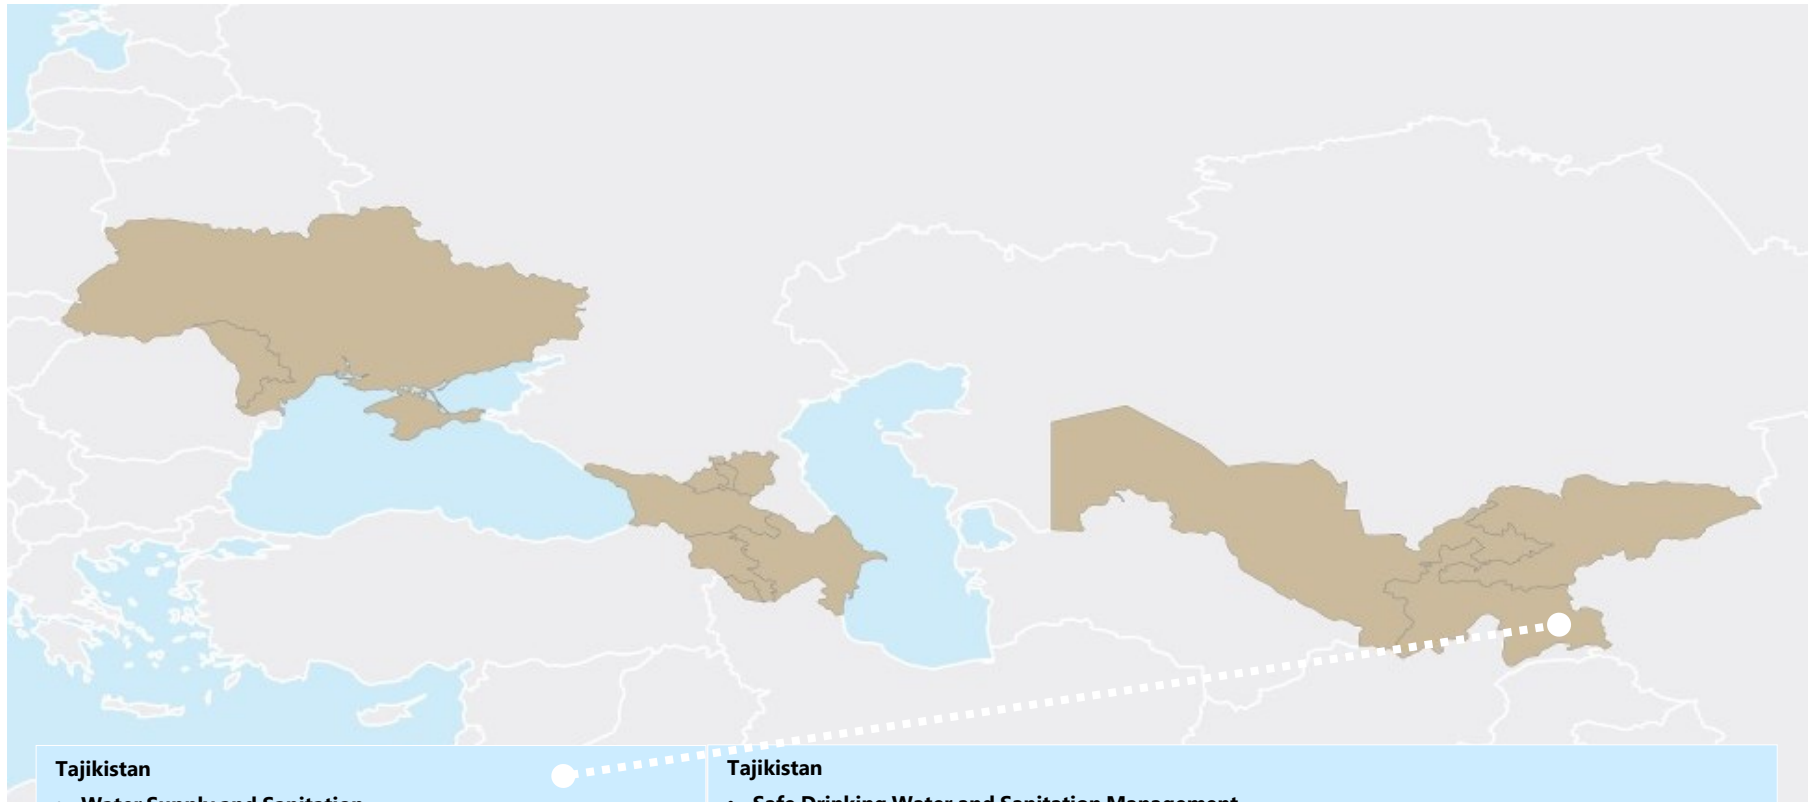

- **Integrated Health and Habitat Improvement in the Rasht Valley**

Goal: People benefit from basic public services in a peaceful and equitable society allowing them to improve their quality of life.

2018-2021: CHF 7.05 Mio.

SDC Drinking Water Programs in EuraD States

Tajikistan

- **Water Supply and Sanitation**

Goal: Sustainable provision of safe drinking water and sanitation services and improved hygiene behavior in the Khatlon region and Rudaki district.

2018-2022: CHF 3.1 Mio.

Tajikistan

- **Safe Drinking Water and Sanitation Management**

Goal: Improve access to and quality of drinking water and sanitation for 150'000 people living in isolated mountainous areas of Eastern Tajikistan (GBAO).

2017-2021: CHF 5.3 Mio.

- **Integrated Health and Habitat Improvement, Rasht Valley**

Goal: Improve access to basic social services (water and health). Enhance participation of local communities to local development (decision-making and effective management of resources).

2018-2021: CHF 7.1 Mio.

SDC Integrated Water Resource Management, Arts & Culture and Migration & Development Programs in EuraD States

South Caucasus - Armenia + Azerbaijan + Georgia

Regional Arts and Culture Programme

Goal: Promote contemporary arts as an open and interactive platform for society to display new social perspectives. This in turn shall foster socio-cultural diversity and cooperation in and between the countries of the South Caucasus.

2017-2021: CHF 0.8 Mio.

Central Asia – Kyrgyzstan + Tajikistan + Uzbekistan

Water accountability in transboundary Chu and Talas River Basins

Goal: Introduction of a modern, Multi-Level distributed Water Information System to provide stakeholder's gateways for judicious and sustainable water resources management.

2016-2020: CHF 2.3 Mio.

Strengthening of the Institutional Framework for Integrated Water Resources Management

Goal: Improve regional water governance by strengthening the Regional Institutional Framework for Integrated Water Resources Management

2017-2020: CHF 1.2 Mio.

Moldova

Making the Most of Migration

Goal: Support Moldova in creating a favorable environment for leveraging migrants human and financial capital for the development of their home country.

2019-2022: CHF 7 Mio.

Moldova

Strengthening the Institutional Framework in the Water and Sanitation Sector

Goal: Improve the steering and management of the water sector as well as the performance of key sector institutions, through working directly with the national institutions on sector capacity development, integrated water resource management, and a comprehensive water information system.

2014-2020: CHF 4.18 Mio.

Tajikistan

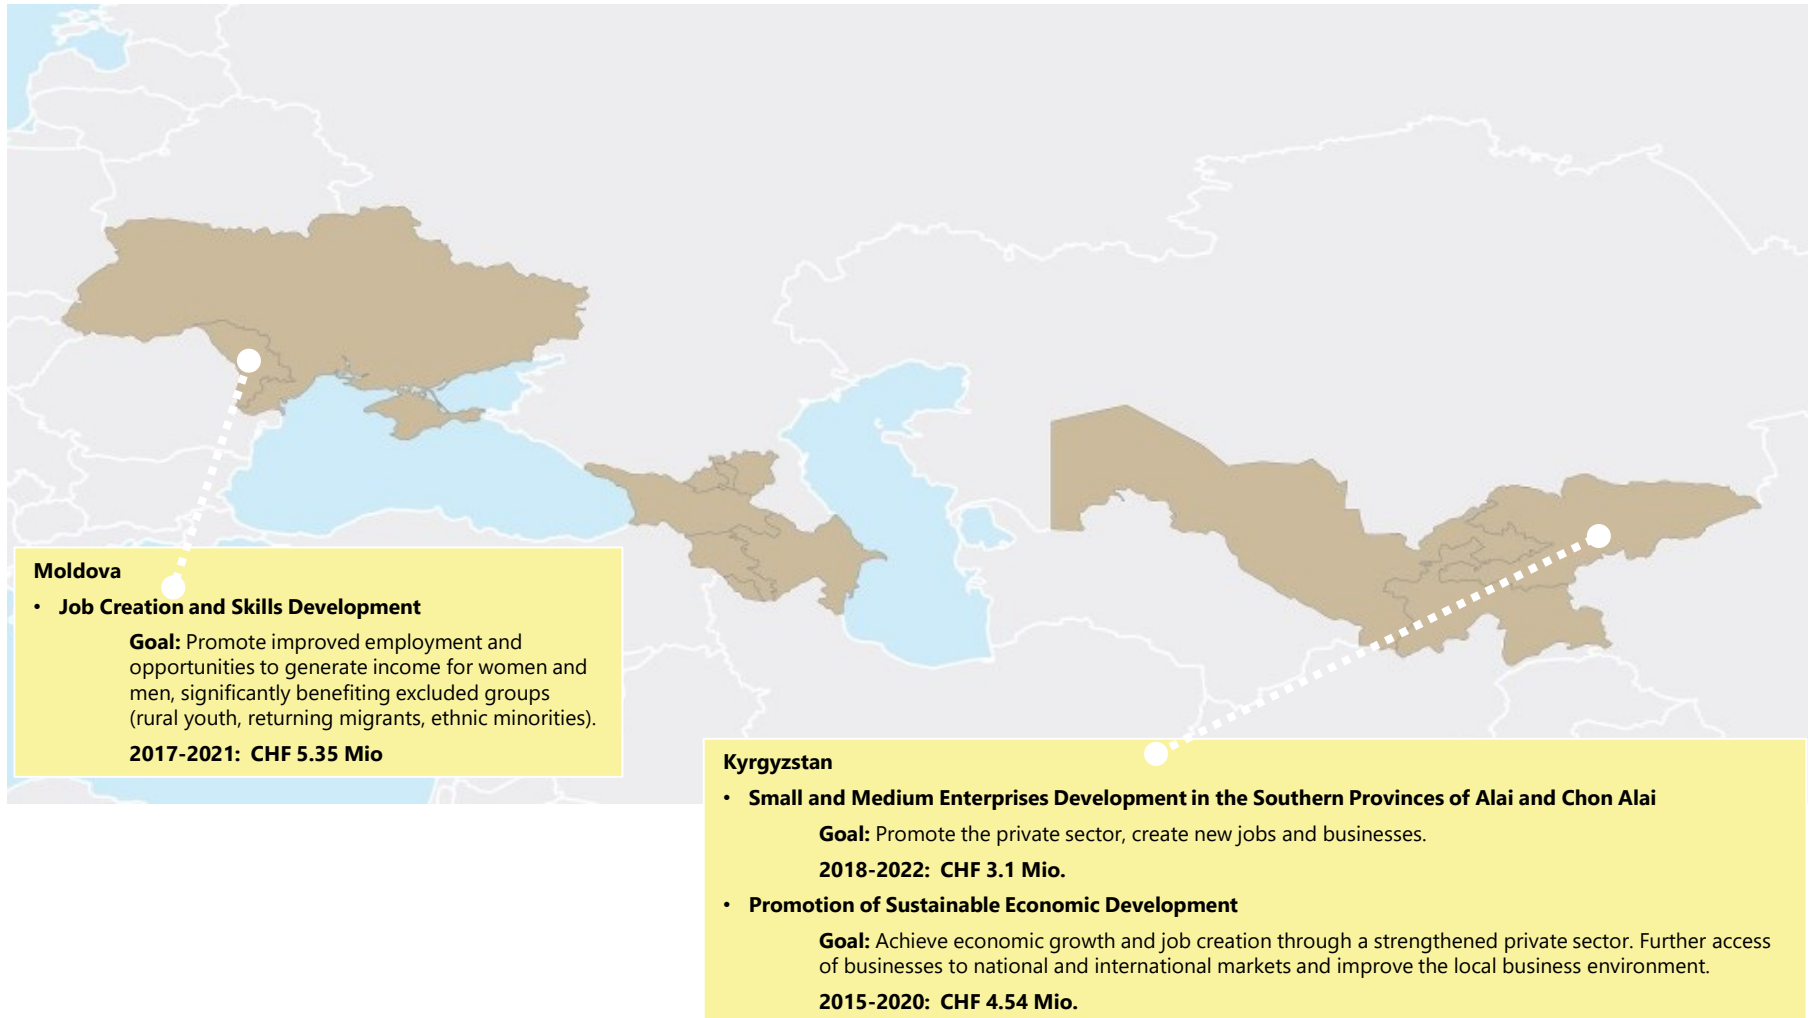

National Water Resources Management

Goal: Improve rural livelihoods through inclusive and integrated management of water resources in the Tajik Darya Basin.

2018-2022: CHF 4.99 Mio.

SDC Economic Development and Employment Programs in EuraD States – Part I

SDC Economic Development and Employment Programs in EuraD States – Part II

Georgia

- **Modernization of the Vocational Education and Training System related to Agriculture**

Goal: Increase productivity, incomes and (self-) employment of male and female farmers.

2018-2022: CHF 6.352 Mio.

- **Alliances Caucasus Programme**

Goal: Enable livestock market systems to function more efficiently and inclusively for small-scale livestock producers (SSLP). This shall result in improved incomes through increased productivity and employment opportunities and resilience to livelihood shocks.

2017-2021: CHF 7.9 Mio.

Armenia

- **Livestock Development in the South**

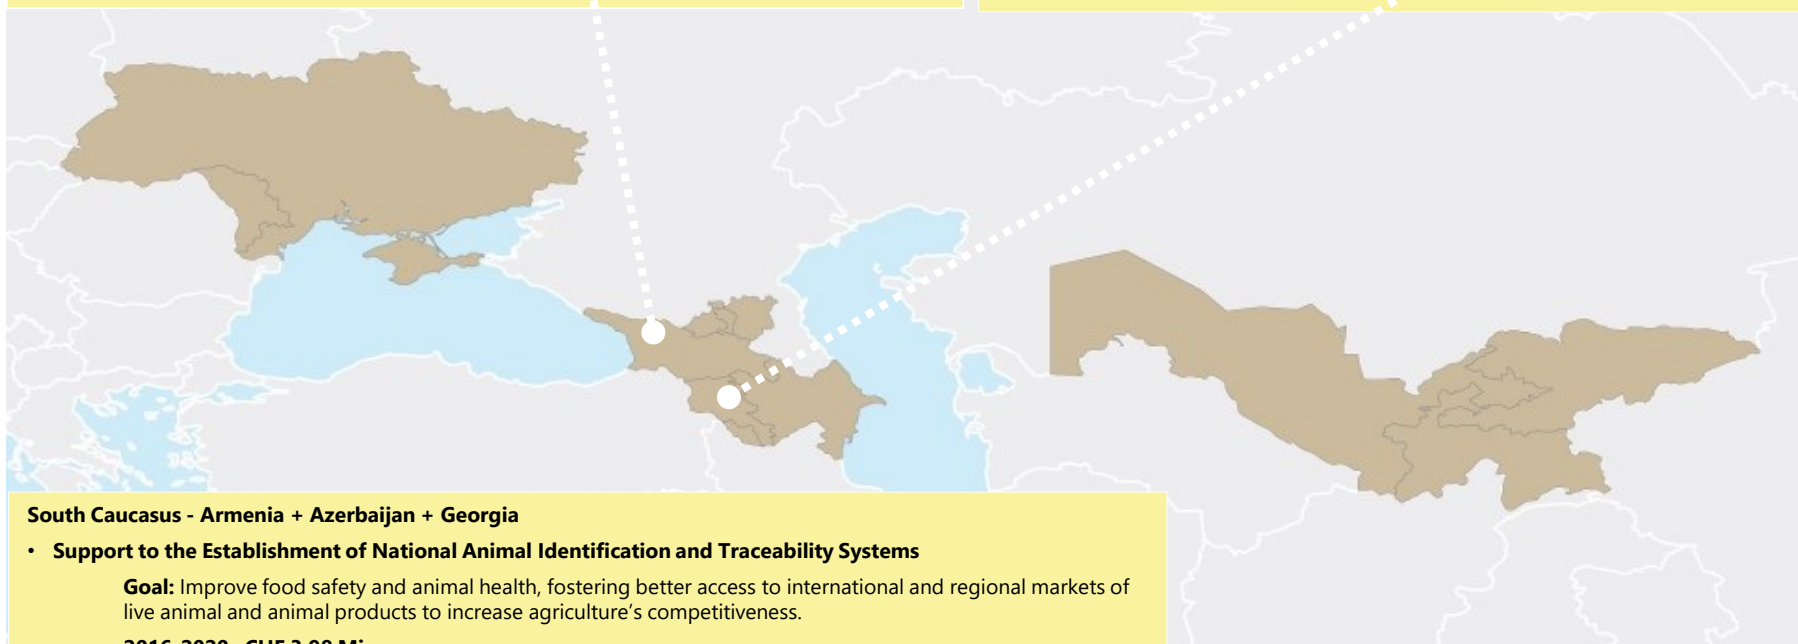

Goal: Increase economic opportunities and incomes of male and female farmers involved in animal husbandry in Syunik and Vayots Dzor provinces.

2014-2020: CHF 10 Mio.

- **Livestock Development expanding from South to North**

Goal: Increase economic opportunities and incomes of male and female farmers and strengthen regional links and access to regional markets of animal and animal products.

2017-2020: CHF 3.63 Mio.

South Caucasus - Armenia + Azerbaijan + Georgia

- **Support to the Establishment of National Animal Identification and Traceability Systems**

Goal: Improve food safety and animal health, fostering better access to international and regional markets of live animal and animal products to increase agriculture's competitiveness.

2016-2020: CHF 3.98 Mio.

- **Women's Economic Empowerment**

Goal: Women, particularly poor and socially excluded, in Armenia, Azerbaijan and Georgia are economically empowered and participate in relevant decision-making processes.

2018-2021: CHF 3.7 Mio.

SDC Programs in Eastern Transition Countries: Western Balkans

SDC Cooperation in the Western Balkans (Domains)
